Basic Requirements: All ESL Volunteers attend initial orientation and ongoing training sessions. These are usually presented at the beginning of each ESL session, or quarter. Volunteers are asked to commit to at least one quarter (about 8 weeks), but a commitment of 1 year (Fall – Spring) is preferred. Most volunteers should be able to dedicate 4 hours, from 8:30 am to 12:30 pm on Saturdays, plus training. Note that hours will vary for Tutoring, Hospitality, Registration, Data Entry and Computer Lab volunteers.

In addition, it takes a special person to serve individuals who speak a language minority. This work involves putting one's "self" aside with a servant attitude, allowing for differences and celebrating each individual's unique contributions to God's world. It includes caring for every learner as a Child of God, deserving of His love and our compassion. It recognizes that there is rarely "one way" to do something and the importance of flexibility.

I am able and willing to satisfy these basic requirements. No Yes
